		<b>CODE:</b> When you see a grade next to CCD—that means they are conducting our opening prayer When you see SAINTS—that means we will present each classroom with the saint that will be working in their classrooms for the next few weeks; the saint assignments change each month so students can get to know all of the saints in our saint swap collection When you see E. T & T—that is a new effort for this year; we will be bringing the sacramental and vestments, etc—used in worship—to each classroom. This happens once each month and will give the students a chance to touch and see and smell the sights the sacred items we use in worship. We'll check out incense and cruets and bells and vestments and all of the things that help us remember we are in God's house.
